The North Carolina Board of Examiners for Nursing Home Administrators has adopted this guideline pursuant to NCGS 150B-2(8a)© & (g) to assist Preceptors in determining the number of weeks needed for the Administrator-in-training (AIT) internship. It is intended to be a useful guide, not a rule and not a standard. Each application is different and the Board may adjust these weeks on an individual basis. Likewise, the Preceptor/AIT may present more or less weeks for the Board to consider depending on the AIT's individual knowledge and experience.

AIT Curriculums must be presented in whole weeks and AITs should begin their program on Mondays instead of the middle or end of the week.
