According to our records your Nursing Home Administrator License expires on **September 30, 2018**. In order to maintain an active license, it is necessary for you to complete the enclosed Renewal Form and return it along with a check or money order for the Renewal Fee. The Biennial Renewal Fee is **\$500.00**. The Renewal of your license will validate it through **September 30, 2020**.

Prior to submitting your Renewal, please go to our website www.ncbenha.org, go to Licensing and click on Licensee, key in your license number OR last name (do one or the other please do not put both), then click on submit to review your file containing your Address and Continuing Education Credits that the Board has on file. Please print that page and attach it to your Renewal Form. If you have taken any NAB approved courses and you have registered on CE Registry, please go to www.nabweb.org and sign into your account, print that page and attach it to your Renewal Form as well. If you have more hours than what is listed on your file or with the NAB CE Registry, please attach copies of the certificates of the Continuing Education courses attended not on file.

Subchapter 37G Section .0100 ("Renewal Requirements") requires an administrator renewing their license in **2018** to have earned **30 hours of continuing education credits** prior to renewal. Credit hours earned after your renewal date in **2016** will apply toward meeting this requirement. **Please note all courses must be approved by the NC Board or by the National Board to receive credit for renewal. The Board will accept up to 10 hours of NAB approved distance learning/self-study courses every renewal period, please make sure these courses are a minimum of 1 credit hour.**

It is necessary for you to complete the entire form or it will automatically be returned.
